Frontier cascade progress

1 / 47 inputs terminal. LFD >= 6 bounds recorded: 0.

Pending includes live, unfinished inputs. Refusal and killed-constant outcomes give no upper bound. Bounds require an accepted certificate and strictly smaller exact count.

Input	Outcome	Count	Degrees	LFD bound
fresh-n47-poly-00-D5-cascade01-highmem01	projection_kills_one	0	4	5
